Actual number will be assigned.

The Brunswick Soccer Club orders uniforms individually, separate from registering for the team. This allows many players to use the same uniform as the previous year resulting in lower total uniform cost. Most teams are competing in more indoor sessions and tournaments increasing the need for an alternative color. If you have a useable uniform from last year, you do not need to order a new one. Separate pieces can be ordered. A kit includes blue jersey, white jersey, blue shorts and one pair of socks. Shorts will be a new design this year.
